Official Music Provider of the MSAA Cheerleading Championship

Myth: Custom cheer music is expensive and time-consuming. You have to pay hundreds (or thousands) of dollars for your mix, and then you have to wait a few weeks before you can even hear it.

Reality: Custom cheer music *can be* expensive and time-consuming (if you choose the traditional route of hiring a producer), but it doesn't have to be.

CheerSounds uses technology to provide music options that include everything you love about custom music but for a fraction of the price - and they're available for instant download, so you never have to wait for cheer music again.

Two options available:

1. [Premade+™](#): Start with a template then add customizations like song swaps and voice overs to create a unique and personalized mix for your team.
2. [8CountMixer](#): Start from scratch and build a mix that perfectly matches your routine. Drag-and-drop songs, sound effects, and voice overs onto the layout of an 8count sheet to easily make your mix.

Whichever option you choose, you can get started - for FREE - today! Edit your mix as many times as you want with no obligation to buy unless you love your music.
