Gerald Silverman Sportsmanship Award

The MSAA is committed to encouraging and promoting the high ideals of sportsmanship, integrity and ethics, as well as developing a positive environment for interscholastic events at all levels of competition.

The goal of interscholastic activities is to give young people the opportunity to expand their educational horizons by experiencing fair and friendly competition with their peers. Ingrained in this competition is respect for rules, regulations, opponents and officials.

Official Music Provider of the MSAA Cheerleading Championship

Myth: Custom cheer music is expensive and time-consuming. You have to pay hundreds (or thousands) of dollars for your mix, and then you have to wait a few weeks before you can even hear it.

Reality: Custom cheer music *can be* expensive and time-consuming (if you choose the traditional route of hiring a producer), but it doesn't have to be.

CheerSounds uses technology to provide music options that include everything you love about custom music but for a fraction of the price - and they're available for instant download, so you never have to wait for cheer music again.

Two options available:

1. [Premade+™](#): Start with a template then add customizations like song swaps and voice overs to create a unique and personalized mix for your team.
2. [8CountMixer](#): Start from scratch and build a mix that perfectly matches your routine. Drag-and-drop songs, sound effects, and voice overs onto the layout of an 8count sheet to easily make your mix.

Whichever option you choose, you can get started - for FREE - today! Edit your mix as many times as you want with no obligation to buy unless you love your music.
