#### 5. **Advisors General Information**

**Drugs and Alcohol** - Please be certain that your delegates do not bring alcoholic beverages or unprescribed drugs to the conference. Please double check all beverages brought to the hotels. Delegates using prescriptions should notify the conference nurse on Wednesday. Belle Porter will be the conference nurse and can be contacted in Room 104 or at the front desk. Please refer to the Behavior Guidelines for consequences associated with Drug or Alcohol usage at the Conference.

**Delegate Attendance at Events** - All delegates must attend all workshops, general sessions and activities of the conference. Delegates should not be allowed to stay in their rooms during the day. If a student does not feel well they should be sent to the Nurse's room to rest, not to stay in their own room. The MASC Executive Board will monitor hallways and common areas to assure students are not skipping sessions. Advisors are responsible for checking that their students are not left in hotel rooms alone at any time.

**Conference Nurse** – Belle Porter will be the conference nurse and can be contacted in Room 104 or at the front desk. Delegates using prescriptions or having medical conditions that could require medical attention should notify the conference nurse upon arrival on Wednesday. Please check with your school nurse regarding all delegates. If any students need special requirements, you and the nurse must know in advance.

**Hotel Swimming Pools** - The pools at both hotels will be open at night. Please remind your students to act appropriately and safely in the pool areas. Students should not walk through hotel hallways or lobby areas with only bathing suits on. Cover-ups/shirts/shorts are required. No students will be allowed to go barefoot in the hallways or common areas of the hotels. No Exceptions.

**Hotel Fees** - The hotels charge a fee for each local, long distance and credit card call. Outside phone lines will be turned off. Advisors who wish to have their phones left on should plan on leaving a credit card with the hotel. Movie services in both hotels will also be turned off. The Health Clubs are off limits to all student delegates.

**Cellphones/Computers/Electrical Devices** – Computers and other electrical devices should be left at home during this trip. For students who do bring these items, MSAA/MASC is not responsible for lost or stolen items. Please leave cell phones in rooms or make sure they are turned off during general sessions and workshops.

**Meal Periods** – Conference name badges must be worn at all times. Each delegate must also wear an identification wrist band at all times. These student and adult wrist bands will serve as meal tickets for every meal, banquet included. If you break your band, bring it to Room 104 for a replacement. The cost for replacement of a lost band is \$140.00. Please make any dietary concerns known at registration. There will be an advisors' luncheon in Mulligan's Restaurant on Thursday. Tickets will be available at registration and there will be two seatings for the Advisors. The banquet on Thursday evening requires proper dress (semi-formal). The full group size has outgrown the main ballroom. Therefore, schools will be randomly chosen to dine in the

Bass River Room. After dinner, those schools will rejoin the banquet festivities in the main ballroom. There will be reserved seating in both rooms.

**Curfew/Room Security** - Curfew at both hotels is **12:15AM SHARP!!!** All delegates must be in their rooms for the night at this time. Advisors will check and recheck rooms of all delegates in order to account for everyone. While in their rooms for the night all delegates should be certain to secure their sliding door by lowering the security bar. Advisors must check that the security bar is lowered. No one should be admitted to a room through an outside slider. Make sure to lock room doors. Any student found outside their room after curfew will be brought to their advisor and is subject to the behavioral guidelines and policies.

**Hotel Facilities** - Please notify your delegates to stay off the practice putting greens in the courtyard and the golf course of the Emerald Resort. Students should be reminded of appropriate behavior of staying in a hotel and to respect the hotel facilities.

*No chants or songs with any double, hidden or obvious lyrics which are considered offensive, inappropriate or not in the spirit of a leadership conference will be allowed. Advisors are asked to be certain that delegates understand the full meaning of such prohibited activities.*

## 6. Election Information

- There will be a candidates' meeting at **2:00 PM on Wednesday**. Advisors of candidates are asked to attend this meeting to help understand all of the campaigning policies.
- All candidates for office will speak on Thursday morning at the general session.
- Absolutely no campaigning will be allowed in the main lobby until the conclusion of the Candidates Meeting.
- Election posters and materials may not be placed on walls at either hotel and will be removed.

## 7. Check Out Procedure

- Friday morning check out must be done by the advisors only at the main desk of each hotel. Please collect all room keys in the key envelopes from Wednesday's check-in as you survey each room.
