**MASC Executive Director Report**

- **Executive Board Retreat**  
Student board positions handout with the retreat agenda from their orientation on September 18<sup>th</sup>.
- **Officershop**  
Saturday October 30<sup>th</sup> at Middleboro High School  
Registration information will be sent next week. Registration will include 4-5 students plus advisor, with a wait list option to send additional officers on exec board.
- **Monthly Virtual Connections**  
Putting together goals and calendar dates, which will be sent to advisors.
- **State Conference**  
March 9-11 at Resort and Conference Center of Hyannis  
Registration typically opens in January. Decisions will be made prior to then about the size of the conference. Many schools are not able to travel during school day, but can go on own in evenings. Some thinking of moving to after school conferences.  
Speakers are tentatively scheduled for March.  
Will be seeking a commitment from building principals.  
The previous virtual state conference went very well. Schools utilized watch parties to participate. The virtual framework was utilized last year and connecting with David Brame to host again if necessary is an option.
- **Financial update**  
The programs we have been able to offer have been self-sustaining. Working toward normalcy, but mindful of expenses.
- **NAWD/NASSCED**

Boston had been working to host in December 2020 at the Westin. NAWD is moving toward a virtual conference for 2021. Current conversation regarding Boston and San Francisco as hosts for 2022 and 2023.

- **MASC Summer Conference**

Trying to get a core group of people together to relaunch summer initiatives in 2022. There is a loss of institutional knowledge for MASC events.

- **Advisor leadership**

Working on a 2-day PD event for advisors in January that will utilize advisors doing work together rather than a leadership consultant. Next year the NAWD conference will be an option for advisors if hosted in Boston.

**Upcoming meetings**

January 13, 2022 3:00 pm

May 5, 2022 3:00 pm (updated)

**Meeting adjourned at 10:59am.**
