Routine Information:

- MSSAA Certified judges will use the State approved Category Score Sheet:

https://msaa.net/wp-content/uploads/2022/01/2019_MSAA_Performance_Score_sheet.pdf

- All routines are limited to a maximum of two minutes and thirty seconds (2:30). There is no limit to the amount of music that may be used. All routines must include a cheer (before/middle/after/over the music) in order to be properly judged in the voice and motions categories. There is not a minimum time/length requirement.
- Timing will begin with the first organized word, movement, or note of music by the team after it is officially announced that they may begin. Coaches are strongly advised to create routines that finish a few seconds under the time limit to ensure that the team does not go over time.
 - The teams will be judged using the National Federation Safety Guidelines.

Tournament Set-up: We will have two full sets of cheer mats set up at Tewksbury High School; penalty mats will be in the Large Instruction Room 2, and the competition mats will be in the gym. Session 1 will begin at approximately 10am, and Session 2 at 2pm. Teams will arrive, starting at 9am for Session 1 (and 12:30pm for Session 2) for a 10-minute stretch and 5 minutes for penalty run. This is just a guide and as the competition approaches and teams are registered, the times will be sent to coaches. Order of Appearance will be available by 10/10/2022

Warm-Up Schedule: All cheerleaders, dancers and coaches may arrive at their discretion prior to their warm up time. A volunteer will bring them into the locker rooms to place their belongings upon arrival. (Please note that we are not responsible for lost/stolen items). In Order of Appearance, teams will stretch outside of Large Instruction Room 2 and then have practice/ penalty time on the mats in that room. After penalty,

teams will have plenty of time before they line up to compete in the gym.
Session 1 will begin at 10 am and Session 2 at 2pm.
